Information About The Service:

This is an IP Voice service which requires the outright purchase of approved IP handsets from Call Central or an authorised Call Central dealer.

- Plan/Access fees are charged in advance on sign up, you will receive your monthly invoice via email
- Direct debit is mandatory, this can be via credit card or bank account, with payments deducted 14 days after your email invoice is issued.
- If payment is dishonoured, services will be suspended until payment is corrected, a \$15 fee may apply
- A separate internet connection is required for use of Call Central's Hosted PBX service, with a minimum of 100/100 Kbps per concurrent call required, the quality of service may be affected by the internet connection, firewall and other matters outside of the control of Call Central
- Call Central shall endeavour to provide the highest quality uptime we reasonably can on all our services, service delivery and products but we do not explicitly specify any guaranteed uptimes, or SLA, on uptimes on any of our services, or the delivery of any products and services we provide. This should be taken into consideration upon evaluating Call Central as your potential VoIP phone provider.

- Whilst calls to 000 can be made, the Call Central Hosted PBX service cannot be relied upon as an emergency service. Calls to 1900, back to base alarms, fax services, and EFTPOS systems cannot be used with Call Central Hosted PBX
- Only Call Central approved and supplied handsets may be connected to the Call Central service
- The 30 Day Money back guarantee only applies when the customer installs only Call Central assured hardware, is installed by an approved Call Central installer and the Hosted PBX is set up by an approved Call Central support team member, for more details visit <http://callcentral.com.au/money-back-guarantee/>
- The main PSTN number may be ported to Call Central, a one off porting charge of \$14.95 per PSTN number \$145.00 for a 1-5 CATC (complex number range) or \$350.00 per 100 number in dial range will apply, PLUS a monthly hosting fee of \$44.95 per 100 in dial number range. Additional single numbers are charged at \$3.50 per month. Your former carrier may also charge a 'porting out' fee.
- This service is available for Business customers with a valid ABN for standard business usage only. Not available for commercial or non-standard business use, i.e. telemarketers or call centres
- If a service is disconnected, the recurring monthly access fee is charged until the end of the billing cycle in which the service is discontinued
- Offer subject to the Call Central fair use policy, for full details visit www.callcentral.com.au
- If the service is not on a contract and is provided on a Month-to-Month contract basis, call rates may be changed at any time by Call Central. A notification will be issued to you on your next invoice advising of a price rate change for commencement on the next following billing month.

Information About Pricing:

A connection fee of \$29.95 per handset applies, unless a 24-month contract is agreed to.

- The minimum monthly amount payable is \$10.00 per month per handset.
- If a 24-month contract is agreed to the \$29.95 connection fee per Hosted extension is waived and the total minimum charge per Hosted extension will be \$240.00.
