### INFORMATION ABOUT THE SERVICE

#### Minimum Term: 1 Month

Your Call Central Business Plan allows you to make and receive phone calls, like using a regular phone but instead of your calls being delivered over a regular phone line they travel over your high speed internet connection.

- Plan/Access fees are charged in advance on sign up, you will receive your monthly invoice via email
- Direct debit is optional, this can be via credit card or bank account, with payments deducted 14 days after your email invoice is issued
- If payment is dishonoured services will be suspended until payment is corrected, a \$15 fee may apply
- Other payment options are **pay online** through our website <http://callcentral.com.au/pay-online/> BPay or via **direct debit transfer** (EFT) and are due 14 days from the date of the issued invoice.
- A late payment fee of \$15.00 applies to all accounts paid after the due date.
- All payment options except direct debit will incur a \$2.00 non-direct debit fee.
- A separate internet connection is required for use of Call Central's SIP Trunk Business Plan, with a minimum of 100/100 Kbps per concurrent call required, the quality of service may be affected by the internet connection, firewall and other matters outside of the control of Call Central
- Whilst calls to 000 can be made, the Call Central SIP trunk service cannot be relied upon as an emergency service. Calls to 1900, back to base alarms, fax services, and EFTPOS systems cannot be used with Call Central SIP Trunk service
- The main PSTN number may be ported to Call Central, a one off porting charge of \$14.95 per PSTN number \$145.00 for a 1-5 CATC (complex number range) or \$350.00 per 100 number in dial range will apply, PLUS a monthly hosting fee of \$44.95 per 100 in dial number range. Additional single numbers

are charged at \$3.50 per month. Your former carrier may also charge a 'porting out' fee.

- This service is available for Business customers with a valid ABN only.
- If a service is disconnected, the recurring monthly access fee is charged until the end of the billing cycle in which the service is discontinued along with any calls made up to the time of disconnection.
- If the service is not on a contract and is provided on a Month-to-Month contract basis, call rates may be changed at any time by Call Central. A notification will be issued to you on your next invoice advising of a price rate change for commencement on the next following billing month.
