### Information about the service

Call Central's Pay as You Go Per Month Plans are a post-paid Voice calling plan to accompany a Cloud based PBX installation. These call plans require a Phone System software license to be purchased directly through Call Central Communications Pty Ltd as a licensed reseller of Various PBX software vendors. Pay as You Go refers to the total cost of calls incurred in each 1-month billing period for the term of the service and the monthly plan fee. Vendor Phone System Software licensing is charged annually and is subject to change based on the vendors yearly review of RRP.

### Plan Options

- Prices inclusive of GST

### International Calling Rates

Call Central's International Call Rates can be located [here](#). Rates may change from time to time, no notice will be provided of rate changes on our international calling rates table, customers should periodically check the rates table for the most up to date calling rates.

### Minimum Term

1 Month. The Call Central Cloud Pay as You Go Call Plans are offered on a Month-to-Month basis.

### Installation

Call Central charges an onsite installation fee of \$120 per hour charged in 15-minute increments. Travel time to your place of business is also charged at \$120 per hour, charged in 15-minute increments. Customers can choose a self-installation option. If customers opt to self-install, Call Central will send all hardware to the customer's primary place of business. A fee for postage will be applied to the customer's next calendar month invoice. Courier fees are calculated by Couriers Please. Customers who require assistance with a self-installation can then contact Call Central's support staff on 1300 788 869 to seek assistance and advice on connecting hardware.

### **Setup**

Call Central provides 30 days fee free included support and configuration assistance of all phones and phone software configurations. The 30 days begins from the date the first handset, or phone software app is configured at the customer's site. During this 30-day period Call Central will work with customers to configure and provision their phone software phone system to the customer's desired needs. Training on phone system usage and configuration will be provided during this 30-day period via our support queue line and remote-control software TeamViewer. Any site visits requested by customer's during this 30-day period, or after, will incur a site visit fee of \$120 per hour, charged in 15-minute increments, this includes travel time from our primary place of business on the Gold Coast.

### **Termination and termination fee**

You must provide us with 1 month notification of your intention to cancel your service. Charges will apply up to the final day the service is active. Terminations cannot be backdated. Phone software licensing for remaining months cannot be refunded.

If you opt to cancel your Call Central Cloud Call Plan, your phone system software hosting will also be cancelled, your phone system software hosted instance will be destroyed. Call Central will cease to be your phone system software reseller and cease to provide any and all assistance with your phone system software license, your phone system software and any accompanying phone software products and services. Call Central only remains your phone software reseller while you still have an active Call Central Cloud Call Plan.

### **Concurrent Calls**

Call Central's Cloud Pay as You Go Call Plans limit the amount of simultaneous calls that be made/received. Concurrent calls include internal phone software calls that do not transit the wider telephone network (Extension to Extension). Customers should take into account their total amount of active calls they expect at peak usage when selecting a Call Central Cloud Pay as You Go plan. Plans can be upgraded/downgraded at any stage by contacting Call Central sales on 1300 788 869.

### **Calls to 1800 Numbers**

Calls to 1800 numbers are free on all plans.

### **Hosting of your Cloud PBX**

All Cloud PBX instances are hosted in the Cloud in Amazon LightSail. Hosting costs is included in your Month-to-Month Plan fee.

### **On-going support and Cloud Phone System configuration**

After the 30-day included configuration and support, all configuration, troubleshooting, new app installation and training will incur a fee, charged at \$120 an hour, charged in 15-minute increments. Service faults and other faults do not incur charges. Fees and charges can be viewed at the our [Fees & Charges](#) page. Our Phone System Software configuration and support is limited to the telecommunication network products we provide to you. Call Central will not provide support for another carrier's service.

### **Additional Phone numbers**

All Call Central Cloud Pay as You Go Call Plans include a certain amount of phone numbers. If you require more phone numbers these can be purchased as single numbers or in blocks of 100. Charges for additional numbers and special number services can be found at our [Fees & Charges](#) page.

## Access to Plan, Billing & Call Detail Information

Customers can access their Plan information, Call Detail Records and previous/current invoices by using the following URL <https://centbill.com.au> A link to this is also provided on our website at the very top under the heading My Account.
